JAYPEE UNIVERSITY OF INFORMATION TECHNOLOGY, WAKNAGHAT
TEST-3 EXAMINATION- MAY -2019

M.Tech 4th Semester

COURSE CODE: 16M31CE412

MAX. MARKS: 35

COURSE NAME: Environmental Audit

COURSE CREDITS: 03

MAX. TIME: 2 HRS

Note: All questions are compulsory. Carrying of mobile phone during examinations will be treated as case of unfair means. Each question carries equal marks.

1. How environmental audit differs from financial audit. Discuss the relationship between environmental audit and sustainable development.
2. Discuss the relationship between organisations and the environment. What advantages may an organisation gain by anticipating environmental legislation?
3. What are the objectives of undertaking environmental audit in an organization? Write a short note on Earth Summit.
4. List at least five reasons why businesses should improve their environmental performance. Write brief notes on environmental liabilities and insurance costs? What type of pollution would insurance companies be reluctant to cover?
5. What are the different objectives of energy management? What are the objectives of conducting an energy audit?
6. What is environmental auditing? What are the differences between an environmental review and an environmental audit? Write a summary of an event/incident in your country which highlights the damage done to the environment.
7. Discuss the roles of an environmental audit within an environmental management system. What are the different types of environmental audit? "Though many sources contribute to air pollution, but automobile has been singled out as especially serious." Elucidate.
